## Session du Président

### ALLOGREFFE

Vendredi 22 novembre  
10h45 à 11h45

Where are we headed in facial transplantation :  
Myths and Realities

Pr Eduardo RODRIGUEZ

The pathway to make Vascular Composite  
Allotransplantation accessible, sustainable and  
reliable. From success to doubt, from doubt to  
research.

Pr Laurent LANTIERI

Face Transplantation : about continuous follow-up and  
nerve regeneration.

Dr Stéphanie DAPKE
